

2020 Oxford Babe Ruth Summer Travel Team Information (Ages 8-12)

Hello Everyone,

Oxford Babe Ruth will be holding informational meetings for parents of all players ages 8 through 12 interested in participating in the Summer Travel League for the 2020 season. There will be 2 meetings this year, Thursday 11/7 and Thursday 11/14, both will be held at 7:30 PM at the Oxford Town Hall. Parents may attend either meeting, there is no need to attend both.

The primary purposes of the meetings are to gauge the level of interest at each age group, lay out key dates and discuss several changes to the program format proposed by the OBR Board. This year, we will be forming teams at the 8u, 10u and 12u levels, as we are looking to field the most competitive teams at each of these age groups. The tryout and player selection process will be reviewed in detail during the informational meetings. We will also discuss some exciting changes to the Winter Clinics, which are scheduled to begin in January.

The Oxford Babe Ruth Summer Travel program is focused on providing players an extended baseball season. The Travel program usually begins in late May, once the Spring season is winding down and continues into late July. We would like all parents to have as much information as possible before making a commitment to play summer baseball. We realize that we are asking each of you to make investments in both time and money.

PLEASE NOTE: Every player who is interested in playing Summer Travel baseball ***MUST*** be represented by having a parent attend one of the meetings in person. Since we are gauging level of interest, players who are not represented will run the risk of not being considered for the summer program. If for any reason, your player wishes to participate, and you ***CANNOT*** attend one of the meetings or send a representative, please contact me directly prior to the 11/14 meeting.

Thank you for your interest in Summer Travel baseball and please do not hesitate to contact me with any questions or concerns that you have.

Sincerely,

Brian Traverso
